

# AWARD FOR OUTSTANDING MUSICAL ACHIEVEMENT

Presented to

*Sanjit Krishnamurthy*

In honor of his extraordinary talent as a pianist and composer,  
whose original work was performed at the U.S. 250th  
Anniversary celebrations before national dignitaries and  
invited guests including the  
First Family of the President of the United States.

The piece, performed on his behalf by Juilliard-trained  
concert pianist and Master Teacher Peter Vamos, stood as a  
testament to Sanjit's artistry and earned him national  
recognition.

Sanjit has grown into both an accomplished performer and a gifted composer.  
In recent years, his works have displayed striking maturity, blending technical  
mastery with emotional depth.

As his teacher, I am proud to honor Sanjit's remarkable achievements, his  
unwavering dedication to excellence, and his promising future as a composer  
and performer. In all my years of teaching, I have never encountered a student  
as naturally gifted, creatively inspired, and musically expressive as Sanjit.
